# SMALL GROUP STUDY GUIDE

Week of: 9/13/2020

**BIG IDEA: THE JOY OF RESTORATION!**

**Connect:** Consider something very important that you lost and then later found. How did it go missing? How long was it gone? What were the story and emotions associated with finding it? Think about it; Pair up with a partner to discuss; then Share with the group.

**Scripture:** Luke 15:1-10

## Bible Discussion

1. Pray and read Luke 15:1-10
2. Which of the stories in the verses we read today (lost sheep or lost coin) is more appealing/relatable to you? Why?
3. Have you ever considered someone to be “too lost” to be found?
4. What is the most dramatic salvation story you are aware of?
5. Think about and discuss some ways that Luke 15:8-9 should play out in the life of a healthy church.

## Life Application

Luke 15:10 captures the heart of God and the atmosphere in heaven when the lost are found. Do you have that same joy when others come to know Jesus Christ as their personal savior?

## Challenge

In Luke 15 verses 1-10, we see the idea of “going” after the lost. List some people that are far from God that you know. Your challenge is to do something this week to point them to Jesus Christ.

## Celebrate and Care

Share wins from this past week. Share other prayer requests.
